

Standards

Developed industry consensus standards through ASTM to replace previously issued EIMA guidelines and industry test methods

ASTM E 2098 replaced EIMA Std. 105.01

- Alkali Resistance of Reinforcing Mesh

ASTM E 2134 replaced EIMA Std. 101.03

- Tensile Adhesion of EIFS

ASTM E 2273 replaced EIMA Std. 200.02

- Drainage Efficiency of EIFS

ASTM E 2430 replaced EIMA Spec. for Insulation Board

- EPS for use with EIFS

ASTM E 2485 replaced EIMA Std. 101.01 and ICC-ES Procedure

- Freeze-Thaw Resistance

ASTM E 2486 replaced EIMA Std. 101.86

- Impact Resistance of EIFS

ASTM E 2568 is the conversion of AC 219

ASTM E 2570 is the conversion of AC 212
