Architect: _____

**This information will NOT be shown to the jury.*

1 - Attach a description of overall project type, scope, and project goals.

2 - Attach a description of why your EIFS project is a "hero hidden in plain sight" and should be selected as the recipient of the EIFS Hero Award. Include project specific details on energy efficiency, design flexibility, code compliance, cost effectiveness, and other attributes of exterior insulation and finish systems. For inspiration, please view the EIFS Hero video at www.eima.com/hero.

2a - OPTIONAL – Include a description of how choosing EIFS as the exterior wall cladding of the project (versus other claddings) was advantageous. Describe how using EIFS on the project provided benefits to the owner (cost effectiveness, on-time, on-budget, etc.) A letter from the project owner stating that the resulting project met the project owner's goals and expectations may be submitted with the entry. Testimonials from significant members of the EIFS team may also be submitted.

3 - Submit a minimum of 3-4 high quality images (at least 300 dpi) of your project. Include a current photo if available.

4 - Submit Entry Form, photos and additional information electronically to Laurie Joseph, Director of Member Services at Ljoseph@eima.com

"I understand that the contents of this entry become the property of EIFS Industry Members Association. I further understand that I have obtained the appropriate permissions from the project's EIFS team members that gives the EIFS Industry Members Association the right to make all text and photographs available for publication without compensation, real or implied, and without claim by contestants against the judging committee, EIFS Industry Members Association or its officers and staff, or individual EIMA members."

Signed

Date

With this statement, the entrant is extending to EIFS Industry Members Association unlimited license to use the photographs submitted with the entry.

All entries must be received by November 30, 2018.
