## **EIMA Board of Directors Set to Add Contractor Seat**

**Falls Church, Va., May 2, 2017**— The EIFS Industry Members Association is proud to announce that its board of directors approved adding a designated seat for an EIFS contractor.

The announcement was made at the 2017 EIMA Annual Meeting, during a gathering of industry contractors and EIFS professionals. One of the drivers in making this change was to recognize the interest and contributions of contractors in EIMA, with additional hopes of increasing involvement in industry issues and association events.

An announcement will be forthcoming on the final slate for the board of director's seat, and how other contractors can become more involved in the association.

Founded in 1981, the EIFS Industry Members Association (EIMA) is a national non-profit technical trade association comprised of leading manufacturers, suppliers, distributors and applicators involved in the exterior insulation and finish systems (EIFS) industry.
