EIMA Board of Directors Elects New President

Falls Church, Va., August 15, 2012— The EIFS Industry Members Association (EIMA) Board of Directors has elected Peter Balint of Dryvit Systems, Inc. as its new president. The position is effective immediately.

"Peter is already a well-known person in the construction and exterior wall industry, and everyone in it is looking forward to working with him as he carries out his duties", David Johnston, executive director and CEO of EIMA said. "With over 15 years in the EIFS industry and 30 years in construction, he has an excellent technical background and knowledge of EIFS that will serve him as he leads the industry. He has already contributed mightily to the discussions and deliberations of the EIMA board."

Balint previously served as the Vice President of EIMA and succeeds Buck Buchanan, of Parex USA, who has held the position for the previous two years.

Founded in 1981, the EIFS Industry Members Association (EIMA) is a national non-profit technical trade association comprised of leading manufacturers, suppliers, distributors and applicators involved in the exterior insulation and finish systems (EIFS) industry.
